

VIRGINIA BEACH

*Silver Tappers*

**The Silver Tappers** was organized to give women 50 and over the opportunity to dance, perform, inspire and share our joy in exercise, friendship and fun.

Directed by Rita Joyner of Virginia Beach School of Dance, we have been taking class together for several years. Our group includes teachers, realtors, interior designers, fashion stylists, artists, government service, bookkeepers, bankers and military wives, both active and retired.

We are a not for profit dance company donating our time and talent to help charitable organizations. We don't ask for a fee for our performances but would appreciate a donation made in our name to charities concerned with women's issues, including breast cancer, Osteoporosis, Alzheimer's, heart disease, diabetes, etc. or a charity of your choice.

We also accept donations to support our operating costs and costume fund.

**For more information call (757) 615-7266 or email
